

Harrington Concert Schedule 2008-2009

New Concert Schedule

The Harrington School concert schedule will look somewhat different in 2008-2009. Each grade level will still perform in a concert but only the fifth grade will be in the Harrington School Chorus, in order to be consistent with the other schools in Lexington. The first and second graders will perform together in January. The third and fourth graders will perform on the same concert in March. The kindergarteners will perform a short concert during the day in May. The fifth graders will continue to give a Peace Concert in December and this year will give their spring concert in April. ~Holly Stumpf, 9/15/08
