Kindergarten

Friday, June 4, 9:00-9:20 a.m. performance for school and parents

Also, did you know.....

At our first assembly we sang our school song, "Go, Go Harrington." The tune is familiar (She'll Be Coming Round the Mountain) but the words are our own. We also sang "Teaching Peace" about one of our school goals.

The fifth grade chorus has begun rehearsals for the Peace Concert in December.

Fourth graders have started the year learning rock passing songs from many countries.

Third graders are working on music reading skills as they prepare to play the recorder.

Second graders are exploring beat and rhythm by playing a steady beat while singing and taking turns leading rhythms.

First graders are welcomed back by Bravo, the bear puppet who goes to music with all kindergarten and first grade classes.

Kindergartners are learning that they know a lot about "music opposites."
